Thank you to the new Board members for serving for the next two years.

The Nash Hernandez Orchestra Dance

The June 19th Saturday evening dance held at the Austin Recreation Center was well attended, and EVERYBODY danced and danced to the beautiful ballroom and Latin songs played by the orchestra. The huge hard-wood floor gymnasium served as an excellent ballroom. It was full of dancers all evening.

Sixty ABD members joined with 133 visitors for a total of 193 happy dancers. A few photos show the happy dancers filling the floor.

We wish to express our sincere appreciation to ABD members and guests that volunteered to help set up for the dance, and assisted with clearing the floor of tables and chairs, and storing them away. We only had 30 minutes (10:30-11:00) after the dance to get everything cleaned up so the city could close the building. Once again, thank you for all of your help. We could not have done it without you.

The Austin Ballroom Dancers Footprint

The web site and publicity offered by ABD reaches farther than you may think. This year we know that the following dancers came to Austin to dance with us.

- A couple from Canada every year
- Couples from Germantown, Tennessee
- A couple from Great Falls, Montana
- Dancers from Houston, San Antonio, Waco, and other "local" Texas cities come dance with us.

This couple is from Great Falls, Montana,, enjoying Austin Ballroom Dancers.

Dancers check the Austin web for ballroom dance places, and there we are!

Hope that you enjoy many years of happy dancing!
